

Abdominal pain
Bloating
Constipation

the **ABC^s**
of **IBS**

Researchers are evaluating an investigational medication to see if it effectively treats Irritable Bowel Syndrome with Constipation (IBS-C) in men and women. You may qualify for a research study if you experience any of the following symptoms:

- ✓ Abdominal pain or discomfort
- ✓ Bloating and/or straining
- ✓ Have fewer than 3 bowel movements per week

All study-related care will be provided at no cost. Insurance is not needed.
